The University of Wolverhampton's UK Recruitment Team is here to guide you through our range of postgraduate courses, including PhD, MRes, and taught master's programs. Chat with us to explore your study options, discover available courses, and receive expert advice on postgraduate finance. Let us help you take the next big step in your academic journey!

Our vision is to run gymnastics clubs around the country that 'Change the Game', delivering unique and more engaging activities balanced against requirements of the gymnastics programs.

We are striving to look at things in a different way and increase participation in gymnastics at all levels. From pre-school to adults, the experience in the gym is based around putting a smile on everyone's faces.

The recreational program will increase in order to fill spaces on waiting lists and get as many people as possible involved in this incredible sport. We believe we can make the local gymnastics club a centre for a family's recreational time during any week.

Your local children's hospice

- Acorns Children's Hospice Trust is a registered charity, offering a network of palliative care and support to life-limited and life-threatened children and their families across the West Midlands region and part of South West England. We have 3 Hospices and over 40 retail shops.

Dudley Academies Trust is a Multi Academies Trust (MAT) in the heart of Dudley, West Midlands which is made up of two primary schools and four secondary schools. The Trust's aspirant culture and positive climate for learning are strong features of its schools which correlate to outcomes and to recent Ofsted inspections which resulted in 'Good' and 'Outstanding' judgments.

The Trust has a proven track record in delivering exceptional education and supporting teacher development. Since its establishment, Dudley Academies Trust has gained a strong reputation both locally and nationally. As part of its commitment to training the next generation of educators, the Trust offers Initial Teacher Education. Trainees benefit from personalised support in a nurturing environment, enabling them to achieve outstanding outcomes and succeed in their teaching careers.

We're a dynamic and forward-thinking training provider, passionate about creating change within the IT, tech and digital industries. Our catalogue of professional courses is underpinned by a commitment to innovation and growth: delivered by an experienced team of inspirational tutors with an outstanding approach to teaching and learning.

For over ten years, we've been helping to transform the lives and careers of thousands of people. We strive to nurture the ambitions of all our learners, taking everyone on a learning journey and being there throughout that journey to coach and challenge. Always with the aim to elevate and advance the UK's tech workforce so both individuals and employers can stand-out from the crowd.

Ministry of Housing, Communities & Local Government

The Ministry for Housing, Communities and Local Government is a great place to work where you will have the opportunity for a long and fulfilling career. We create great places to live and work, build integrated communities and strive to give more power to people to shape what happens in their local area.

We have opportunities across our many professions that cater to everyone – whether you are new to the Civil Service or an existing Civil Servant looking for a change, and whether you're just starting out, or an experienced professional, we want to hear from you.

Dunbar Education is a specialist education recruitment agency, matching the best teachers and support staff with placements in our partner schools. Founded in 2016, we are delighted to have helped to match hundreds of schools and education staff since.
#proudoofwhatwedo

- Impact is a fast-track graduate programme for bright and passionate individuals who want to make a difference while excelling in their own careers. It offers the chance to work directly with communities, but also to influence policies and plans at a senior level. All while earning a graduate salary and completing our council-specific leadership and management qualification.

4 Mercian are your local Army Reserve unit and we are recruiting now! We have vacancies for keen, fit and motivated individuals from ages 18 - 42. If you would like to know more about life in the Army Reserves, what we can offer, train opportunities and financial incentives, please get in touch!

Children's charity in Bromsgrove Worcestershire offering residential stays and day visits to underprivileged and disabled children up to 9 years old. We have friendly animals on site such as Donkeys, pigs, goats, sheep, poultry and small furries for children to enjoy and interact with. We are a small, independent charity with only one full time member of staff, a student, a couple of part time staff plus volunteers. Both the Manager and placement student live on site.

With over 960 stores, 14 regional warehouses and more than 33,000 colleagues in the UK alone, it's our exceptional teams that keep us growing, learning and moving towards success. And we want you to be a part of that. No matter your role, we know you'll make your mark as part of our success story.

So, if you're ready to get stuck in, want to get more out of your career and make a real difference, then you're already Lidl like us...

Lenovo envisions a world where every person and business has access to the technology that allows them to achieve their own intelligent transformation.

Lenovo is a US\$70 billion revenue global technology powerhouse, ranked #171 in the Fortune Global 500, employing 82,000 people around the world, and serving millions of customers every day in 180 markets. Focused on a bold vision to deliver smarter technology for all, Lenovo has built on its success as the world's leading PC player by expanding into new growth areas of infrastructure, mobile, solutions, and services. This transformation together with Lenovo's world-changing innovation is building a more inclusive, trustworthy, and sustainable digital society for everyone, everywhere.

We are a leading provider of full life-cycle engineering, operations, and decarbonisation solutions, for transport infrastructure and complex facilities.

Our purpose is to deliver sustainable infrastructure solutions that enhance life and protect our shared future.

We combine exceptional expertise in Consulting & Design, Advisory & Analytics, Transport Infrastructure and Complex Facilities to design, manage, and maintain clients' assets throughout their lifetime.

Our leading data and analytics capability enable us to create transformative solutions that strengthen resilience and drive sustainable improvements.

We embrace difference and support individuals to work in ways that work best for them.

We are committed to working sustainably and by working in partnership with the communities we serve, so people and the planet are protected.

**STAFFORDSHIRE
POLICE**

Staffordshire Police is dedicated to working with our communities. The main focus of the Police service is to deal with offenders but we offer so much more than that. We offer support for victims of crime, assist in managing antisocial behaviour, and work with partner agencies to constantly improve upon the service we deliver. There are a multitude of roles within the Police service and while most peoples' interactions will be with our front line staff we couldn't complete the work we do without these other roles.

Office for Product Safety & Standards

The Office for Product Safety and Standards (OPSS) is the UK's national product regulator, within the Department for Business and Trade (DBT). Our primary purpose is to protect people and places from product-related harm, enabling trade and growth by ensuring consumers and businesses can buy and sell products with confidence.

We have a number of exciting opportunities where you can gain hands-on experience and kickstart your career in the world of regulation.

HM Prison & Probation Service

- Provider of Probation Services to the West Midlands Region. Our aims are to protect the public and rehabilitate offenders through supervision in the community as well as working with offenders pre-sentence and while in custody.

At Samworth Brothers we feel strongly about our purpose – ‘We do GOOD things with GREAT food’ and as a business we seek to be a long-term force for good. Our purpose is underpinned by a strong set of values that sets out how we behave as a business and with each other.

We take pride in the family feel that exists within our businesses and work together to make things happen. We can offer you the stability of a wider group, as well the opportunities that that offers, if you wish to progress your career with us.

We offer Graduate Schemes in Technical and Commercial, and Industrial Placements in these two categories as well as Operations. In these schemes, you will get the opportunity to work in multiple different placements which will allow you to build your network, learn new skills and find out what role suits you!

Risk Free is a leading provider of advanced software solutions for the financial services industry. Our innovative technology is trusted by over 100,000 users and is designed to simplify and improve processes for a range of businesses. We offer tailored solutions for mortgage lenders, banks, specialist lenders (including bridging loans, development finance, buy-to-let mortgages, and residential), as well as large brokerages and networks. Each product is built to meet the unique needs of the industry, helping organisations streamline their operations and stay ahead in a fast-paced market.

The Savills logo consists of the word "savills" in a lowercase, red, sans-serif font. The letters are bold and evenly spaced. The logo is positioned in the lower-left corner of a solid yellow rectangular background that occupies the left half of the slide.

savills

Savills have been voted The Times 'Graduate Employer of Choice' for Property for 18 consecutive years. Come see Savills to hear more about graduate and placement opportunities, as well as their top tips for applications. There will also be an opportunity to ask any questions.

- McLaughlin & Harvey is a privately owned company with over 170 years of experience, specialising in construction and civil engineering. Founded in 1853 and now operating throughout the UK and Ireland, the company employs over 800 people and has office locations in Belfast, Glasgow, London, Birmingham and Bristol.

The company delivers construction, civil engineering and fit-out projects and provides facilities management services to various sectors including healthcare, education, defence, industrial, retail, sports venues, transport infrastructure, environmental, marine, commercial, residential and leisure.

Vistry Group

We're Vistry Group, the UK's leading provider of affordable mixed-tenure homes. Our core values of integrity, caring, and quality shape all we do; our partnership-led approach helps us build sustainable communities where they're needed most.

You're probably familiar with our unmatched portfolio of brands: Linden Homes, Bovis Homes, and Countryside Homes. We also have Vistry Works, our timber frame manufacturing operation, and Vistry Services, our support functions. Together, we build more than homes, so there's nowhere better to build your career.

- At VWV we are proud of our identity and strong reputation. Located in London, Watford, Bristol and Birmingham, we are a full service law firm with a sector based approach where we believe in working together collaboratively to put our clients first. Our success as a firm is a reflection of the professional and personal fulfilment of our people. That's why we place so much emphasis on creating a supportive work environment that provides opportunities, encourages participation and fosters achievement.

Our core sectors include charities, education, family-owned businesses, healthcare, private client and public sector. This sector focus is underpinned by core legal services including real estate, corporate, commercial (including IP and technology), employment, dispute resolution and tax. We also manage a personal injury division, Augustine's Injury Law.

Individual Placement and Support & Retention **Employment Services**

The IPS Employment Service provides support across the Black Country to individuals who wish to enter some form of paid employment (part or full-time) or those who wish to change their employment to better suit their needs.

Who can access this service?

We support individuals who are open to secondary care mental health services in the Black Country. This applies to anyone who is under the care of a psychiatrist and may have a care co-ordinator such as a community psychiatric nurse or an occupational therapist.

How can the service help you?

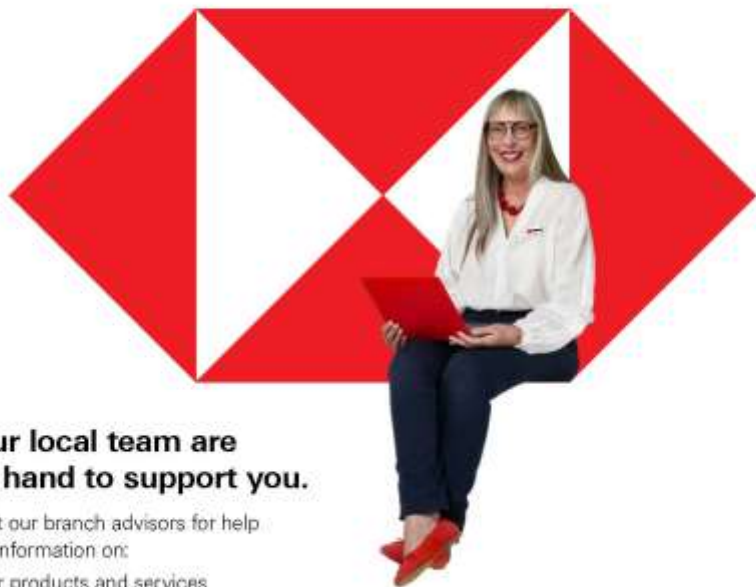

Our vocational specialists will provide you with 1:1 support to achieve your job goal. We can help you identify the job you want, search and apply for jobs, offer guidance, and support you in your place of work.

The Crown Prosecution Service (CPS) is the main prosecuting authority in England and Wales. In our daily operations we work in partnership with all agencies in the criminal justice system.
