

A photograph of a university campus. In the foreground, there are several large, leafy green trees. Behind them, a modern building with a glass facade and a brick building are visible. A paved path leads through the trees, and several people are walking on it. In the background, a tall, dark tower (likely St. Martin's Church) rises above the trees. The sky is clear and blue.

# OPUS

PEOPLE SOLUTIONS  
Part of the **Vertas** Group

Opus are a public sector managed service provider who support local councils with their temporary and ongoing temp to perm recruitment needs. We work extensively with our council partners to not only fill their staffing needs, but to also raise the awareness of their opportunities and the career paths on offer for students at local colleges and Universities and the general public alike. We are partnered with many councils, with the most local ones being Walsall, Telford, Rugby, Newcastle Under Lyme and Redditch & Bromsgrove.

The West Midlands Regional Genetics Laboratory (WMRGL) is the largest genomics facility in the UK and lead provider for one of the seven Genomic Laboratory Hubs (GLH) in England, the Central and South Genomic Laboratory Hub (C&S GLH).

WMRGL is a combined molecular and cytogenetics laboratory and is divided into 5 programmes: Business Support, Technical, Rare Disease and Reproductive Genomics, Cancer Genomics, and Research and Development.

There are several Graduate level job opportunities within both the Technical and Scientific teams. These include Healthcare Science Assistants, Genetic Technologists and the Scientific Training Programme. We also run a Summer Intern Programme and offer a number of 6-month internships throughout the year

MMB provides fully integrated civil engineering feasibility, design, construction and commissioning services to the UK water sector. Established in 1999, it harnesses the contracting strength of JN Bentley and the design specialisms of Mott MacDonald.

MMB was formed specifically to deliver long-term, high-volume capital programmes collaboratively with water companies. With a focus on innovation, affordability, and flexibility, since securing its first contracts with Yorkshire Water in AMP3, MMB has grown to deliver work for eight of the largest water companies in the UK.

# Defence Infrastructure Organisation

The DIO plays a key role in keeping our country safe through caring for the Defence estate and those that depend on it. Enabling the armed forces and defence civilians to live, work, train and deploy. We are the infrastructure expert, bringing together the insight, expertise and experience that our customers need to make the best use of available funding and provide a safe, secure estate. From planning and delivering on major capital projects and lifecycle refurbishment to soft facilities management. With approx. 6000 employees and over 180 sites across the UK, our estate is unique. From runways, naval dockyards to sites of Significant Scientific Interest. Your experience with us will be like no other.

Join our dynamic and growing team at WR Partners. With a reputation for delivering great client service and being innovative, we provide comprehensive audit, tax, accounts and advisory services to a diverse range of clients across various industries.

We provide world-class Cost Consultancy and Employer's Agent services to market leading Clients in London, the UK and overseas.

Since our inception in 2012, our aim has been to play our part in the creation of innovative built environments that enrich lives, spark opportunities and move towards a more sustainable world for the next generation. In 2023, we were proud to become an Employee Ownership Trust (EOT). With our Founding Partners still fully committed, we are excited about our new chapter where we are laying the foundations for the next decade – securing independence, broadening ownership and strengthening the leadership team. Moving to an employee-owned business ensures that the management and future strategic plans remain in the hands of all our Team

4 star city centre hotel, part of Leonardo Hotels. We have Bar, Restaurant, Meeting and event rooms, and 445 bedrooms, and have a range of jobs available across the hotel.

### No1 Job Board

RateMyPlacement.co.uk is the UK's leading jobs board for students seeking paid placements, internships, graduate roles and insight schemes.

We have hundreds of jobs on our website from different industries and in different locations. Making your job search 100 times easier, because it's all in one place!

### Peer-to-peer reviews

Unlike other career sites, we also host thousands of reviews written by students who have completed work experience. So that you can gain insider knowledge of what it's really like to work within these companies.

### All the Advice you need

We host hundreds of advice articles where you can get expert career advice to guide you through every stage of your search for work experience, university or just life in general.

**Enterprise Mobility™**

From our senior leaders to our interns, Enterprise gives everyone the freedom to explore their potential - because their growth is what makes our growth possible.

When you join our award-winning Management Training Programme, we will empower you to start contributing right from the word go, while helping you gain the skills and experience needed to run your own branch.

We're also still family-owned. This provides us the stability to look forward even more confidently to the future, even in these challenging times.

Join us, and become one of the new generation helping us write the next chapter of our success story.

West Midlands Police is the second largest police force in the country, covering an area of 348 square miles and serving a population of almost 2.8 million in an area rich in diversity. The force deals with more than 2,000 emergency calls for help every day, as well as patrolling the streets and responding to incidents 24-hours-a-day, seven days a week.

Our values embody what we are, to join our family you must have real passion for people and communities as well as the drive to work alongside local people, building relationships and making a difference in the West Midlands

We've been hailed 'The Rebels of Accountancy'. Sure, that sounds like a contradiction. But that's the point. In an industry so often stuck in its tired, dull ways, we're anything but. It hasn't gone unnoticed. But what does that mean for you?

Consistently recognised as the #1 Accountancy Firm to Work For in the UK, based on our people's feedback, the best people want to work and stay here, carving out careers with unmatched benefits and development opportunities.

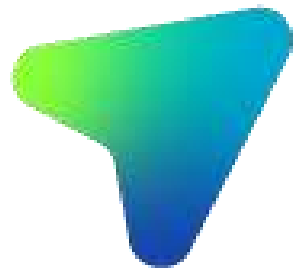

Our wellbeing programme has won multiple European awards, and our culture is built on trust, autonomy and high performance. We've become the UK's 11th largest accountancy firm. And we're the biggest with a B Corp Certification too, using business as a force for good and continually measuring and improving the impact we have on our people, clients, communities, and the planet.

*Endeavour*  
RESTAURANTS LTD

McDonald's employees come from all walks of life, but share a common approach: positivity. Because we're not just a collection of restaurants. We're a team, a family, and a community that supports one another. We move fast at McDonald's. Whether we're serving our customers or helping our people build their futures. Let's be part of something together.

**netcom**  
**training**

We're a dynamic and forward-thinking training provider, passionate about creating change within the IT, tech and digital industries. Our catalogue of professional courses is underpinned by a commitment to innovation and growth: delivered by an experienced team of inspirational tutors with an outstanding approach to teaching and learning.

For over ten years, we've been helping to transform the lives and careers of thousands of people. We strive to nurture the ambitions of all our learners, taking everyone on a learning journey and being there throughout that journey to coach and challenge. Always with the aim to elevate and advance the UK's tech workforce so both individuals and employers can stand-out from the crowd

We're a global, vital and highly respected financial organisation with an inspiring Purpose. Operating in 38 countries and employing around 100,000 people across the world, we help communities, individuals and businesses thrive. And we've created financial solutions and technology that the world now takes for granted. A career with us can offer incredible variety, depth and breadth of experience, and the chance to learn from some of the best minds in technology and finance.

THE  
RED CARNATION  
HOTEL COLLECTION

In 2024, Red Carnation Hotels was ranked the fourth Favourite Hotel Brand in the Travel + Leisure World's Best Awards; but what truly sets us apart is our incredible team. We're seeking passionate individuals who are dedicated to creating exceptional guest experiences. If you enjoy working with talented people and love brightening others' days we'd love to hear from you. Join us and be part of a supportive company that values your creativity and enthusiasm.

G&T is an independent construction and property consultancy working across all sectors of the built environment.

Stepping into your potential with G&T will give you the opportunity to learn from industry leaders; whilst working on a wide portfolio of clients across all sectors in the built environment. Progression is at the heart of G&T and one of our core business values. Through our ever-evolving workforce we plan for the future with our industry leading Chartership Academy and NextGen initiative.

# Civil Service Fast Stream

The Civil Service Fast Stream. Grow like nowhere else.

Unleash your future leadership and management potential. The Civil Service supports the government of the day to implement its policies effectively on behalf of every community across the UK. From benefits and pensions to employment services, prisons to driving licenses, our work touches every aspect of UK life. Our award-winning Fast Stream programme accelerates careers, developing talented, high-potential people into future Civil Service leaders and managers.

Offering access to roles in just about every government department, the Fast Stream opens up a huge range of opportunities. Here, we're growing tomorrow's leaders and managers, building a Civil Service for a fast-changing world, and tackling some of the biggest challenges impacting the UK.

# Department for Education

Nobody knows teaching like we do. Whether you're just thinking about it or ready to apply, we offer free advice and support to decide if teaching in a primary or secondary school in England is right for you. Discover a career with lots of opportunities to grow.

WorkWell supports people in the Black Country with health conditions and disabilities to find, return and succeed in work. Our team of trained Work and Health Coaches will work with you to create a personalised plan that suits your individual needs to help you take steps towards meaningful employment. You don't need a formal diagnosis to be eligible for the service. We can also connect you with other support services in your local area. If you are 16+, in the Black Country with a health barrier and need extra support navigating the world of work, come and chat with us!

At Frontline – England’s largest social work charity – everything we do aims to make life better for children who need a social worker, to help keep them safe from harm and to give them every possible chance to fulfil their potential.

---

# FREETHS

---

We are a leading full-service UK law firm, with 1,200 freethinking colleagues all working together to make the future better for our people, clients and communities.

We are a big firm, without the attitude. We get our momentum from our guiding values – smart, bold and together.

We are friendly, straight-talking and use our expertise and integrity to deliver smart legal services and a dynamic, inclusive and rewarding experience.

Because of all this and more, we're trusted by leading household names such as Aldi, Tarmac, Experian and Lloyds Bank, as well as charities, universities, private individuals – to think beyond the norm and get the best results.

We are in The Times Best Law Firms 2024 and consistently rank in the top tier of the Legal 500 and Chambers guides.

With a 160 year history spanning three centuries, our family business has stayed true to John Sisk's vision of providing exceptionally high levels of construction expertise and customer service by employing, training and motivating capable staff. We operate across key sectors as an Irish family owned business, with offices in Dublin, Cork, Galway, Limerick, Sligo, Waterford and Portlaoise. In 1984 we opened our first office in the UK. We have offices in St Albans, Birmingham, Warrington and Bristol serving these markets directly. Sisk also has a number of key projects throughout Europe for major pharmaceutical, retail and technology clients. Current locations for Sisk projects include, Netherlands, Switzerland, Sweden and Denmark.

Dunbar Education is a specialist education recruitment agency, matching the best teachers and support staff with placements in our partner schools. Founded in 2016, we are delighted to have helped to match hundreds of schools and education staff since. #proudoofwhatwedo

The Crown Prosecution Service (CPS) is the main prosecuting authority in England and Wales. In our daily operations we work in partnership with all agencies in the criminal justice system.

**Opportunities: graduate roles, sandwich placements**
